Sir:

SUMMARY OF INTERVIEW

Pursuant to the telephonic interview conducted on September 24, 2008 between the Examiner in charge of the above-identified application, Examiner Faulk, and Applicant's representative William Titcomb, the claims for the instant application which had been previously amended on July 7, 2008, to incorporate the previously determined allowable subject matter, have been further amended pursuant to the telephonic interview on September 24, 2008.

EXAMINER'S AMENDMENT

The further amendment amounts to minor changes to the proposed Examiner's Amendment, and as authorized by Applicant's representative, with the understanding that this additional clarifying amendment will present no substantive change in the claimed invention. Accordingly, pursuant to the discussion relating to the prior art of record, it was ultimately agreed to that claims 1-4, 6-24, 26, 28 and 31-36 would be allowed. Furthermore, it was determined that these allowed claims, specifically the independent claims, including claims 1,

19, 20, 26 and 28 are distinguishable over the prior art of record for at least the basis outlined by the Examiner and accordingly are patentably distinct over U.S. Patent No. 5,966,639 to Goldberg et al; U.S. Patent No. 4,479,240 to McKinley Jr.; and U.S. Patent No. 4,918,717 to Bissonnette et al. (hereinafter "Bissonnette") accordingly should be passed promptly along to issuance.

Furthermore, claims 5, 19, 25, 27, 29, 30 and 37 have been canceled. No other outstanding claims or formal matters remain concerning the claimed invention, and accordingly Applicant's representative submits their summary of the Interview conducted on September 24, 2008 herewith.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact William D. Titcomb Reg. No. 46,463 at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37.C.F.R. §§1.16 or 1.147; particularly, extension of time fees.

Dated: October 21, 2008

Respectfully submitted,

By
